PATIENT AUTHORIZATION & FINANCIAL POLICY

OUR FEES:

Our fees are meant to be fair and reasonable. We strive to keep them that way. You assist in this effort when you pay for our services at each visit. New patients and those requiring emergency care (without insurance) are expected to make full payment at the time of their appointments. Our staff can tell you the <u>approximate fees</u> for treatment before your appointment. Please understand that the amount stated is only an estimate and does not reflect any additional work that may be needed and/or is performed and it does not take into account what your insurance ultimately decides is and isn't covered. To make payments convenient for you we accept cash, cashier's checks, money order, all major credit cards, and Care Credit.

INSURANCE PLANS:

We are proudly a dental office that participates with several insurance carriers. Please check with our Staff before treatment to determine if we are in network with your insurance. We expect covered patients to read their policy carefully, to become familiar with its benefits and limitations, and to bring a copy of their insurance card with them to each and every appointment. Please understand that your insurance policy is a contract between **you and your insurance company.** It is important that you understand in most cases your insurance is designed to reduce your cost, NOT to eliminate it completely. **You are ultimately responsible for the full unpaid balance of your bill, including any unpaid portion that your insurance does not cover.** Patients are expected to pay their deductible and co-payment percentages at the time of service. Any difference will be billed after your insurance is processed. Any insurance payment not received after thirty (30) days of filing becomes the responsibility of the patient. Patient's payment is expected within ten (10) days of notification.

FINANCIAL OBLIGIATIONS:

- If your account is outstanding for more than sixty (60) days, it will be referred to an outside collection agency or attorney. A monthly interest charge of 1.5% (18% annually) will be added to the balance. Patients will be responsible for any and all costs of collections including attorney's fees of 15% and court costs.
- Any checks returned to our office are subject to an additional fee of \$25.00. Immediate remittance in the form of cash, money order, and/or certified funds is expected.
- If a patient does not cancel an appointment within 48 hours of said appointment there will be a <u>no show</u> <u>fee</u> applied to their account. The no show fee for appointments during our normal hours of operation (Monday through Friday from 8 AM to 5 PM) will be \$75.00 per half hour of missed appointment (\$150.00 maximum) and for emergency appointments, meaning outside of our normal hours of operations, will be \$150.00.

HIPPA NOTICE: All patients will have an opportunity to review the HIPPA notice and may have a copy of said notice upon request. They will also received a copy of this office's notice of privacy practices.

If you have any questions about our policies or your account at any time, please do not hesitate to contact a member of our Staff for assistance.

I have read the above policy and agree to accept all financial responsibilities. I understand that I am personally responsible for any unpaid bills. I authorize the release of any information necessary to process my dental claim. I acknowledge review of the HIPPA notice and have received a copy of this office's notice of privacy practices.
